

ROBOTS

1. How would you feel about being by a robot?

- a) served in a restaurant
- b) received at a hotel reception
- c) given bank account advice

2. Asimov's three laws:

First Law

A robot may not injure a human being or, through inaction, allow a human being to come to harm.

Second Law

A robot must obey the orders given it by human beings except where such orders would conflict with the First Law.

Third Law

A robot must protect its own existence as long as such protection does not conflict with the First or Second Law

3. What movies do you know that contain humanoid robots? How are they represented?
